DRE Pre-School (16hrs), DRE School (56hrs) and DRE Field Certification (40hrs). Training relies heavily on SFSTs. DRE officers are will become skilled in the detection and identification impairment by alcohol and/or drugs. DREs conduct a systematic and standardized 12-step evaluation consisting of physical, mental and medical components. Because of the complexity and technical aspects, not all officers may be suited for the training.

**Active law enforcement only. Officers must show proficiency prior to completing the course.**

**100% Participation and 100% Attendance Required!!**
